

ABOUT CENTENNIAL

Centennial Investigations, Inc. is an investigative agency specializing in Insurance related investigations. Our firm provides excellence in service throughout the Southeastern United States. The founder of the company has over ten years of experience working with large national companies and mid-sized investigative agencies.

Through these experiences the founder realized an investigative firm can be most effective by integrating technology, customer service, and highly-trained, well-managed investigators. At Centennial you work directly with the owner of the company. This modern approach to managing our firm is what makes Centennial successful.

Centennial understands the importance of customer service. Our turn-around times are the best in the business. This allows us to surpass the expectations of our clients and help them solve the problems they face. Whether it is surveillance, a suspicious insurance claim, missing witness, or process service, Centennial's investigative team can provide the results your company needs at a price you and your clients will be extremely pleased with.
